**A CORPORATE CULTURE OF PERSONAL DEVELOPMENT AND GROWTH HAS MADE FERRY INTERNATIONAL ONE OF THE TOP PLACES TO WORK IN ORANGE COUNTY**

Based on an employee survey through WorkplaceDynamics, in partnership with the Orange County Register, Ferry International has been voted one of the top 125 places to work in Orange County.

Irvine, CA (December 09, 2016) Ferry International, an international real estate coaching company that employs over 100 team members, today announced that it has been named one of the top workplaces in Orange County by WorkplaceDynamics. The coaching company was ranked based on a third-party anonymous employee survey covering a multitude of qualities that included company leadership, workplace flexibility, compensation, training, and diversity.

“I love working for Ferry International!” said Priscilla Lopez who has been an employee with the company since 2014. “The team here has been incredibly supportive of me and my family, and believed in me every step of the way.”

This is just one of the many honors the company has earned because of its unique corporate culture. Ferry International has claimed a spot on the INC 5000 for the fourth consecutive year and has been ranked the #1 coaching company by Swanepoel Power 200 for the third year in a row.

“I regularly hold goal setting workshops and encourage my team to not only set professional goals, but also set personal goals as well” said CEO Tom Ferry. “My aim has always been to create an ecosystem where people can show up and do work in a positive and motivating place. I am so proud of my team and I’m honored to be voted one of the top work places in Orange County.”

**About the Survey**

The survey was conducted by WorkplaceDynamics in partnership with the Orange County Register. This anonymous survey consisted of 26 statements in which employees ranked their employers on a 7 point scale. These statements were then given a numerical value which WorkplaceDynamics used to calculate a score for the business. [More information on this survey can be found here.](#)
